*Rule 1.1. United States Navy-Marine Corps Court of Criminal Appeals.*

The Judge Advocate General of the Navy has set forth the name, mission, and function of the United States Navy-Marine Corps Court of Criminal Appeals (NMCCA) in Judge Advocate General Instruction (JAGINST) 5814.1 (series), pursuant to the authority of Article 66(a), Uniform Code of Military Justice (UCMJ), 10 U.S.C. § 866(a).

*Rule 1.2. Seal of the Court.*

The official seal of the Court is used on decisions and orders of the Court and on other official documents and records that are executed and issued by the Clerk of Court. The seal

operates to authenticate documents as official documents of the NMCCA. The Clerk of Court is the custodian of the seal of the Court.

### *Rule 1.3. Administrative Matters.*

(a) *Court Hours.* The Court's business hours are from 0800 to 1630 on weekdays, except Federal holidays, or when secured by direction of the Chief Judge.

(b) *Restricted Areas.* Sensitive material and conversations about pending cases are easily seen and heard while in the chambers of the Court. To preserve the confidentiality of Court communications, visitor access to the Court's chambers is restricted to the reception area in Suite 320 except by invitation. Visitors, including counsel, desiring to see judges or law clerks about any matter shall make this desire known to a panel secretary, the Clerk of Court, or a law clerk. Counsel will announce their presence when entering chambers and, in the event they overhear a conversation about a case pending before the Court, will announce their presence to the parties.

#### *(c) Requests for Examination and or Disclosure of Original Records of Trial.*

(1) *Unsealed portions of unclassified records of trial.* Examination and disclosure of unsealed portions of unclassified records of trial by counsel are authorized upon verbal request to the responsible Panel Secretary or the Clerk of Court. "Examination" includes reading, inspecting, and viewing. "Disclosure" includes photocopying, photographing, disseminating, releasing, manipulating, or communicating the contents of sealed materials in any way.

(2) *Sealed portions of unclassified records of trial.* Counsel may, by written motion, request to examine or disclose sealed portions of unclassified records docketed with the Court subject to the below rules.

(3) *Sealed materials released to trial or defense counsel.* Subject to paragraph (c) below, sealed materials in a record of trial reviewed at trial by trial or defense counsel may be examined or disclosed by appellate counsel upon a colorable showing to the Court that examination is reasonably necessary to a proper fulfillment of counsel's responsibilities under the UCMJ, Manual for Courts-Martial, governing directives, instructions, regulations, these rules, or rules of professional conduct.

(4) *Sealed materials reviewed in camera but not released to trial or defense counsel.* Subject to paragraph (c) below, sealed materials reviewed in camera by a military judge and not released to trial or defense counsel may be examined or disclosed by appellate counsel upon a showing of good cause. The motion must concisely identify the counsel's need for the sealed portion of the record to perform his or her official duties as well as the specific legal authority authorizing his or her access to that portion of the record.

(5) *Effect on other rules.* This Rule shall be implemented in a manner consistent with Executive Order 13526, concerning classified national security information. Nothing in this Rule shall be construed to impair any privilege provided by law or regulation or any notice requirement imposed by law or regulation.

## ***NMCCA Rules of Appellate Procedure (2019)***

(6) *Notice to privilege holder.* Prior to authorizing the examination or disclosure of any material for which a claim of privilege under Mil. R. Evid. 501 through Mil. R. Evid. 514 has been recognized on the record, this Court will issue an order directing that the privilege-holder, guardian, or authorized representative of the privilege-holder be notified of the pending authorization. The privilege-holder, guardian, or authorized representative of the privilege-holder will have seven (7) days from the date of the notification to inform this Court of their opposition to the pending authorization and five (5) days from the date of their response to the notification to file an opposition brief in accordance with Rule 23 of these rules. If the privilege-holder, guardian, or authorized representative of the privilege-holder is unable to be notified or is non-responsive to the notification, the appellate government counsel must file with this Court an affidavit with supporting records asserting the reasonable steps taken to provide notice to the privilege-holder, guardian, or authorized representative of the privilege-holder.

(7) *See Rule 17.3. Pleadings Including Matters Sealed by the Military Judge.*

(d) *Requests for Information.* All requests for information on the status of cases from a party or from within the Office of the Judge Advocate General (OJAG) shall be referred to the Clerk of Court. Press inquiries and other inquiries from outside OJAG shall be directed to the Public Affairs Office or the Criminal Law Division (Code 20) of OJAG.

(e) *Cases Before the United States Court of Appeals for the Armed Forces or other Court.* Appellate counsel shall promptly inform the Clerk of Court if a case that is presently before the Court is also being heard by the United States Court of Appeals for the Armed Forces (CAAF) or other Court.

### ***Rule 1.4. Docketing Cases.***

The Navy-Marine Corps Appellate Review Activity (NAMARA) is responsible for ensuring that original records of trial referred to the Court under Articles 66 or 69, UCMJ, 10 U.S.C. §§ 866 or 869, are complete records of the proceedings prepared in accordance with Article 54, UCMJ, and RULES FOR COURTS-MARTIAL (R.C.M.) 1112-1114, MANUAL FOR COURTS-MARTIAL, UNITED STATES (current ed.). *See* Appendix A. NAMARA will not refer to the Court, and the Court will not docket, any case in which the original record of trial is not a complete record of the proceedings unless NAMARA first attaches a memorandum to the original record of trial identifying the missing document(s) or other deficiency and setting forth the actions taken to produce the missing documents or resolve any other deficiency.

### ***Rule 1.5. Cases Involving Classified Information, Controlled Materials, or Contraband.***

(a) *Court Security Officer.* The Senior Law Clerk shall serve as the Court Security Officer for the purpose of providing for the protection of classified information, and may designate such assistants as are appropriate.

## *NMCCA Rules of Appellate Procedure (2019)*

(b) *Classified Documents and Controlled Materials.* Classified and controlled documents or materials will be stored by the Security Officer with the National Security Litigation Division (Code 30) of OJAG.

(c) *Security Clearances.* The Court Security Officer shall facilitate the obtaining of clearances for personnel on the staff of the Court, as necessary, in accordance with DoD Regulation 5200.1-R.

(d) *Contraband.* Except when in use by the Court, records containing contraband will be stored in locked cabinets in the office of the Clerk of Court. Contraband contained on a CD will be reviewed by the Clerk of Court upon docketing to insure that the Court has the necessary software and passwords to facilitate review that portion of the record.

### *Rule 1.6. Appellate Military Judges.*

(a) *Assignment to the Court.* The Judge Advocate General of the Navy certifies each judge as an appellate military judge of the NMCCA and also appoints one judge to serve as Chief Judge.

(b) *Panel Assignments.* The Chief Judge determines the number of Court fixed panels, designates the fixed panels on which each appellate judge will serve, and designates appellate judges who will be assigned cases on an ad hoc basis. The Clerk of Court or designee, on behalf of the Chief Judge, shall determine to which panel cases are assigned. The Clerk of Court, on behalf of the Chief Judge, may designate special panels as necessary, including when one of more appellate judges has been recused from consideration of a case, when an appellate judge assigned cases on an ad hoc basis is participating on the panel, or when a Reserve alternate judge is participating on the panel.

(c) *Designation of Senior Judges.* The Chief Judge designates senior judges. A senior judge ordinarily presides over a designated panel of the Court and is responsible for performing the administrative duties necessary for the conduct of the panel in completing its statutory responsibilities and for maintaining official liaison between that panel and the Chief Judge.

(d) *Oath or Affirmation.* Prior to performing duties as an appellate military judge, an oath or affirmation must be administered. The Judge Advocate General of the Navy, Chief Judge of the Department of the Navy, Chief Judge of the NMCCA, or another representative of the Judge Advocate General will administer the following oath or affirmation:

I, \_\_\_\_\_, having been appointed (the) an (Chief) appellate military judge, United States Navy Marine Corps Court of Criminal Appeals, do solemnly (swear)(affirm) that I take this obligation freely, without any mental reservation or purpose of evasion; that I will faithfully and impartially administer justice and, to the best of my ability and understanding, I will well and faithfully perform all the duties incumbent upon me as an appellate military judge, in accordance with the Constitution of the United States and the Uniform Code of Military Justice, (so help me God).

## *NMCCA Rules of Appellate Procedure (2019)*

(e) *Court Precedence.* The Chief Judge has the highest precedence on the Court. For all other judges, seniority shall be based first on status as a senior judge or judge and then on tenure, with the longest serving judge in each group having the highest seniority. In the case of interrupted service, total service on the Court will determine seniority.

### *Rule 1.7. The Clerk of Court.*

(a) *Custodian of Records.* The Clerk of Court shall serve as custodian of the records of the Court and shall not permit any documents relative to a case to be taken from the Court's chambers—which includes the designated area to view sealed materials—except by order of the Court.

(b) *Disposition of Procedural Matters.* The Clerk of Court or designee, on behalf of the Court, may entertain and act on any unopposed motion for enlargement, motion to attach documents, motion to cite supplemental authorities, motion to withdraw as counsel, or motion to withdraw a case from appellate review, provided such action—other than withdrawing the case from appellate review—does not substantially affect the rights of the parties or the ultimate decision of the case. The order of the Clerk shall be deemed the order of the Court.

### *Rule 1.8. Conduct of Court Personnel.*

(a) Court personnel will maintain confidentiality of the Court's proceedings and avoid ex parte communication with litigants and favoritism, or the appearance of favoritism, toward any party or counsel.

(b) Former Court personnel who materially participated in a matter before the Court shall not thereafter represent another person or the U.S. Government in a substantially related matter. Former Court personnel who materially participated in a matter before the Court shall not thereafter use information relating to the matter to his or her advantage, except when the information has become generally known; or reveal information relating to the matter except as may be otherwise required under the applicable rules of professional responsibility or judicial canons. Material participation may include occasions in which Court personnel were present for discussions which included confidential communications related to the matter.

(c) Personnel who are reassigned from the Court to the Appellate Government or Appellate Defense divisions shall compile and provide to the Chief Judge and the directors of both divisions a list of cases in which they materially participated as defined in subparagraph (b) above.

(d) The Chief Judge, senior judges, Clerk of Court, and Senior Law Clerk are responsible for informing Reservists and employees, including interns and temporary employees, of these obligations.

## *NMCCA Rules of Appellate Procedure (2019)*

(b) These rules are to be known as the Joint Rules of Appellate Procedure for Courts of Criminal Appeals or “JRAP.”

### **Rule 3. SERVICE COURT RULES.**

The Chief Judge of each Court may prescribe rules governing that Court’s practice. These will be referred to hereinafter as “Service Court rules.” Unless these rules provide otherwise, Service Court rules may not be inconsistent with these rules.

#### *Rule 3.1. Implementation of Rules.*

(b) In any case reviewed by the Court, the Court may consider matters not contained in the record of trial, as defined in Rule 6(a), if authorized by law to consider such matter, and:

(1) By agreement or stipulation of the parties;

(2) Upon taking judicial notice;

(3) When, upon motion filed in compliance with Rule 23, the Court determines the matters are relevant and necessary to determine an issue before it; or

(4) When, upon its own motion, the Court determines that it is necessary to consider matter contained outside the record. Prior to considering matter under this paragraph the Court shall provide the parties notice and an opportunity to object.

(c) *Correction of the Record.* Any party may move the Court to correct any substantial error in the record of trial, to include correcting a transcription of a court-martial proceeding that is attached to the record of trial. When necessary, the Court may order an Article 66(f) proceeding to resolve questions regarding the correctness of the record of trial.

### **Rule 7. QUORUM.**

(a) When sitting in panel, a majority of the judges assigned to that panel shall constitute a quorum. When sitting *en banc*, a majority of the judges in regular active service with the Court shall constitute a quorum.

(c) Unless defined differently pursuant to Rule 7(d), a judge assigned to the Court shall be deemed to be in regular active service for the purposes of these rules if: (1) in the active component of the armed forces; (2) in the reserve component of the armed forces and serving on active duty with the Court for a period of more than 30 consecutive days; or (3) a civilian judge who is a full-time employee of the agency from which appointed. Also, when a reserve component military judge who

(d) Each service may establish its own definition of “regular active service” in its Service Court rules even if inconsistent with Rule 7(c).

(e) Notwithstanding Rule 7(b), a judge on the panel or Court considering a matter may, acting alone, issue all necessary orders, to include temporary orders or stays, provided the orders do not finally dispose of a petition, appeal, or case. A Court may delegate to its Clerk of the Court or other designated staff the authority to act on motions regarding procedural matters.

### *Rule 7.1. Quorum of the Court En Banc.*

When sitting *en banc*, a majority of the judges in regular active service with the Court who are not recused or otherwise disqualified from the matter shall constitute a quorum.

## **Rule 8. AMENDMENTS.**

Proposed amendments to these rules may be submitted to the Chief Judge of any Court named in Rule 1 or to any Judge Advocate General. Before acting on any proposed amendment not received from the Chief Judges, the Judge Advocates General shall refer the proposal to the Chief Judges for comment. **Rule 10. CONDUCT OF COUNSEL.**

**The conduct of counsel appearing before the Court shall be in accordance with rules of conduct prescribed pursuant to R.C.M. 109 by the Judge Advocate General of the service concerned. The Court, however, retains its authority to regulate counsel appearing before it, including the power to remove counsel from a particular case for misconduct in relation to that case or to punish counsel for contempt in accordance with Article 48, UCMJ, and Rule 28. Conduct deemed by the Court to warrant consideration of suspension from practice or other professional discipline shall be reported by the Court to the Judge Advocate General concerned.**

*Rule 10.1. Conduct of Counsel.*

Counsel appearing before the Court shall conduct himself or herself in accordance with JAGINST 5803.1 (Series), Professional Conduct of Attorneys Practicing Under the Cognizance and Supervision of the Judge Advocate General. In addition to exercising its inherent power to regulate counsel appearing before it, the Court may refer allegations of professional misconduct, including a finding of ineffective assistance of counsel or prosecutorial misconduct, to the Judge Advocate General for investigation and appropriate action.

*Rule 10.2. Reporting Requirements.*

Any member of the Bar of this Court who is subjected to discipline that results in disbarment, suspension, or other loss of good standing in the bar of any court of the United States or the District of Columbia, or by a court of any state, territory, commonwealth, or possession of the United States, shall notify the Clerk of Court within 10 business days of such action. Likewise, any member of the Bar who is suspended from practice in courts-martial or another service Court of Criminal Appeals, or whose certification pursuant to Article 26(b) or 27(b), UCMJ, is withdrawn for cause, shall notify the Clerk of Court within 10 business days of such action.

*Rule 10.3. Allegations of Professional Misconduct.*

In addition to other actions that may be taken by the Court, allegations of professional misconduct, as defined by Rule 8.4 of the Department of the Navy Rules of Professional Conduct (DONRPC), shall be referred to appropriate professional authority in accordance with Rule 8.3 of the DONRPC.

*Rule 10.4. Disciplinary Action.*

If it appears that any counsel admitted to practice before this Court has engaged in conduct unbecoming a member of the Bar, has persistently or deliberately failed to comply with these rules or any other rule or order of the Court, or has engaged in misconduct as defined by Rule 8.4 of the DONRPC, the Court may enter an order affording the attorney an opportunity to show cause why the matter should not be referred to the appropriate professional authority.

## *NMCCA Rules of Appellate Procedure (2019)*

### *Rule 10.5. Notice to Other Military Appellate Courts.*

Any counsel who is disbarred, suspended from practice, or otherwise loses good standing with the Court shall be reported to the Court of Appeals for the Armed Forces and to the other service Courts of Criminal Appeals for action as they deem appropriate.

### *Rule 10.6. Action Upon Notice from Other Military Appellate Courts.*

(a) Upon receipt of notice that any counsel admitted to practice before this Court has been disbarred, suspended from practice, or has otherwise lost good standing with the Court of Appeals for the Armed Forces or another service Court of Criminal Appeals, the Clerk of Court will notify the counsel at the last address the counsel provided to the Court of the following:

(1) That the Court is in receipt of the notice from the other military court;

(2) That the counsel has 30 days from the date of the Clerk of the Court's notice to respond addressing why the Court should not take the same or similar action as the other military appellate court; and

(3) That failure to respond will result in the Court immediately taking action to disbar or suspend counsel from practice before the Court.

(b) If counsel fails to respond or responds failing to dispute the merits of the other military court decision, the Clerk of Court, on behalf of the Court, shall immediately take action of the same or similar nature to the other military court.

(c) If counsel timely responds and disputes the merits of the other military court decision, the Clerk of the Court shall forward the matter to the appropriate professional authority in accordance with Rule 8.3 of the DONRPC.

## **Rule 11. ASSIGNMENT OF COUNSEL.**

**(a) Upon receipt of a notice that an appeal pursuant to Article 48, 56(d), 62, 66, 69(d), or 73, UCMJ, has been docketed with the Court, the appropriate Judge Advocate General or designee shall, unless already done, designate appellate military counsel to represent the parties and, as appropriate, victims as defined by Article 6b, UCMJ. In a case involving a petition for extraordinary relief when the United States is represented by counsel or when an accused has been denominated as the real party in interest by a filing party or by the Court, the Judge Advocate General or designee shall also designate appellate military counsel to represent such accused. Nothing in this Rule creates a right to counsel beyond that required by regulation or law.**

**(b) When civilian counsel represents an accused before the Court, the Court will notify counsel when the record of trial is received. If both civilian and assigned appellate defense counsel represent the accused, the Court will regard civilian counsel as primary counsel unless notified otherwise. Ordinarily, civilian counsel**

## *NMCCA Rules of Appellate Procedure (2019)*

### **Rule 12. NOTICE OF APPEARANCE AND WITHDRAWAL OF COUNSEL.**

(a) Military and civilian appellate counsel shall file a written notice of appearance with the Court. The filing of any pleading relative to a case which contains the signature of counsel pursuant to Rule 14 constitutes notice of appearance of such counsel.

(b) Leave to withdraw by any counsel who has entered an appearance under subsection (a) must be requested by motion in accordance with Rule 23. A motion by an appellate defense counsel must indicate whether the accused consents or objects to the withdrawal, the reasons for the withdrawal, and the provisions that have been made for continued representation of the accused. A copy of a motion filed by an appellate defense counsel shall be delivered or mailed to the accused by the moving counsel.

#### *Rule 12.1. Entry of Appearance of Counsel.*

(a) *Detailed Appellate Military Counsel.* Entry of a military appellate counsel's name into the CMTIS, CMS or follow-on Navy-Marine Corps electronic court management system as counsel in a case constitutes a Notice of Appearance.

(b) *All Other Counsel.* All other counsel representing a party in interest must file a written notice of appearance with the Clerk of Court that contains counsel's name, mailing address, phone number, business email address, and a statement whether counsel is a member of this Court's Bar or desires to appear *pro hac vice*, in which case counsel must declare his/her professional qualifications in the Notice of Appearance. Counsel may also seek to become a member of the Court's Bar by complying with Rule 9.1.

(c) *Signed Pleadings.* Additionally, any filing relative to a case that contains the signature of counsel constitutes an appearance but does not relieve counsel of their obligation to submit a Notice of Appearance in compliance with this Rule.

#### *Rule 12.2. Withdrawal of Appellate Defense Counsel.*

Any appellate defense counsel who has entered an appearance in a case and wishes to withdraw as appellate defense counsel must request leave to withdraw by motion to the Court. Such motion must 1) indicate the reasons for withdrawal; 2) identify by name the successor appellate defense counsel; 3) affirm that a thorough turnover of the record between counsel has been completed; 4) affirm that the appellant has been informed of the proposed change in representation; and, 5) state whether the appellant concurs with or opposes the motion to withdraw. Replacement counsel shall file an entry of appearance as required by Rule 13.1.

## *NMCCA Rules of Appellate Procedure (2019)*

### *Rule 12.3. Counsel Appearing Pro Hac Vice.*

(7) *Classified and Sealed Materials.* When classified material or materials under seal must be referenced in a pleading, a redacted pleading omitting the classified or sealed materials must be filed with the court electronically and in writing in accordance with the normal procedures for pleadings not containing sensitive information. A separate document containing the classified or sealed materials will be filed according to specialized instructions provided by the Clerk of Court. Counsel needing to file such a pleading must contact the Clerk of Court sufficiently in advance of the filing deadline to receive and comply with specific instructions that will be provided by the Clerk of Court.

(8) *Form of Filing.* All filings shall be typed on plain, white, 8-1/2 x 11-inch paper with 1-inch margins, printed on one side only, and securely stapled in the top left corner. Page numbers may be placed in the margin but no text, including footnotes, may appear in the margin. Each filing shall include the case caption (including the NMCCA # and assigned panel). *See, e.g.,* Appendices C

through F. Other than the caption and certificate of service in all cases and the text in merit submissions, the text of all pleadings will be double-spaced. (c) *Citation Form.* Citation form for appellate filings shall conform to the United States Navy-Marine Corps Court of Criminal Appeals Rules for Uniform Citation at Appendix H.

(d) *Noncompliance with Court Rules.* Failure to comply with Court rules may result in the rejection and return of the offered filing by the Clerk of Court. Returned filings will not be attached to the record of trial, and do not serve to toll the filing deadline.

(e) *Filings by Attorneys Not Admitted.* If the counsel signing a filing or paper presented to the Clerk of Court for filing is not a member of the Court's Bar, the filing or paper shall nonetheless be received as if such counsel were a member, provided that such counsel shall, within 30 days of submission of the filing, as a prerequisite to continuing in the case as counsel of record, apply for admission to the Court's Bar or move to appear *pro hac vice*.

(f) *Motion for Leave to File Out-of-Time.* Any filing that is submitted out-of-time shall be submitted to the Court with a motion to file out-of-time, exhibiting good cause for why the Court should accept the out-of-time filing. Except for motions for enlargement, a filing is out-of-time when it is made after the due date. (See Rule 23.2(c)(3) concerning Motions for Enlargement of Time). The Clerk of Court may reject and return filings that are not filed in accordance with this provision to the party without attachment to the record of trial.

### ***Rule 13.3. Service of Pleadings.***

(a) *In General.* At or before the filing of any pleading or other paper relative to a case in the Clerk of Court's office, a copy thereof shall be served on all counsel of record, including *amicus curiae* counsel and victim's legal counsel, in person, by mail, by third-party commercial carrier, or by electronic means, if the party being served consents. When a party is not represented by counsel, service shall be made on such party in person, by mail, or by third-party commercial carrier. When reasonable, considering such factors as the immediacy of the relief sought, distance, and cost, service must be at least as expeditious as the manner used to file the pleading or other paper with the Court.

(b) *Personal Service.* If service is made in person, it shall consist of delivery at the office of the counsel of record, either to counsel or, in the case of military counsel, when served upon the Appellate Government or Appellate Defense Division Director or designee. If the party is not represented, service shall consist of delivery to such party.

(c) *Service by Mail.* If service is made by mail, it shall consist of depositing the pleading or other paper with the United States Postal Service, with no less than first-class postage prepaid, addressed to the counsel of record or, if the party is not represented, to such party, at the proper post office address.

(d) *Service by Third-Party Commercial Carrier.* If service is made by a third-party commercial carrier it shall be for delivery within 3 days.

**NMCCA Rules of Appellate Procedure (2019)**

(e) *Time of Service.* Personal service is complete on delivery. Service by mail or third-party commercial carrier is complete on mailing or delivery to the carrier. Service by electronic means is complete upon transmission.

(a) The appellant may file a withdrawal from appellate review at any time before the Court completes its review.

(b) The withdrawal must be in writing and personally signed by the appellant and defense counsel using:

(1) DD Form 2330 (for cases referred to court-martial on or after 1 January 2019),

(2) DD Form 2330-1 (for cases referred to court-martial before 1 January 2019), or

(3) In a declaration signed by the appellant attached to a motion to withdraw from appellate review signed by defense counsel. The declaration shall state that

Parties shall exercise caution in including other sensitive personal data in their filings, such as personal identifying numbers, medical records, individual financial information, employment history, information regarding an individual's cooperation with the government, and national security-related information. (H) Be responsible to supplement the oral or written work of the student as necessary to ensure proper representation;

(I) Guide and assist the student in preparation to the extent necessary or appropriate under the circumstances; and

## *NMCCA Rules of Appellate Procedure (2019)*

### *(4) Authorization and Certification.*

(A) The supervising attorney must indicate in writing approval of the appearance by the law student and consent to supervise the student.

(B) The law student must be certified by the dean of the student's law school as being of good character and competent legal ability.

(C) Before participating in any case under this rule, the supervising attorney shall file a motion for leave to allow student participation in such case. The motion should put forth that the provisions of this rule have been met and that in counsel's view the case is an appropriate one for student participation. The written consent, approval, and certification referred to above shall be attached to the motion. A copy of the motion shall be served on opposing counsel, but no answer will be allowed except with leave of the Court. Once these documents are filed, the Court will decide, using its discretion on a case-by-case basis, whether to allow the student's participation.

(5) *Activities.* Upon fulfilling the requirements of this rule, the student may enter an appearance in a case and:

(A) Assist in the preparation of briefs and other documents to be filed in this Court, but such briefs or documents must also be signed by the supervising attorney;

(B) Participate in oral argument, but only in the presence of the supervising attorney; and

(C) Take part in other activities in connection with the case, subject to the direction of the supervising attorney.

### *(6) Termination.* The dean's certification of the student:

(A) Shall remain in effect, unless sooner withdrawn, until the publication of the results of the first bar examination taken by such student following the student's graduation. For any student who passes that examination, the certification shall continue in effect until the date the student is admitted to the bar;

(B) May be withdrawn by the Court at any time; and

(C) May be withdrawn by the dean at any time.

## **Rule 23. MOTIONS.**

(a) *Content.* All motions, unless made during the course of a hearing, shall state with particularity the relief sought and the *grounds* therefor.

(b) *Motions to Attach Documents.* If a party desires to attach a statement of a person to the record for consideration by the Court on any matter, such statement shall be made either as an affidavit or as an unsworn declaration under penalty of perjury pursuant to 28 U.S.C. § 1746. All documents containing language other than English shall have attached a certified English translation.

## *NMCCA Rules of Appellate Procedure (2019)*

(c) *Opposition.* Unless prescribed otherwise by Service Court rules, any opposition to a motion shall be filed within 7 days after receipt of the motion by the opposing party.

(d) *Leave to File.* Any pleading not *authorized* or required by these or Service Court rules shall be accompanied by a motion for leave to file such pleading. A motion for leave to file the pleading and the pleading may be combined in the same document.

### *Rule 23.1. Motions Generally.*

(a) *Filing of Motions.* Each motion will state with particularity the relief sought, the grounds therefor, and the specific JRAP Rule or NMRAP Rule that authorizes such relief.

(b) *Response to Motions.* Opposition to Motions for Enlargement of Time must be filed within 5 days after receipt by the opposing party. Opposition to all other motions must be filed within 10 days after receipt by the opposing party. The responding party may, for good cause, move for up to 30 days' enlargement of time to file a response. Notwithstanding Rule 23.2(c)(3), a motion for enlargement of time to file a response may be timely filed up until the day before the response is due. A motion for an enlargement to file a response must state good cause with particularity, justifying each additional day requested. The Court may, in its discretion, rule on motions before the opposing filing is received.

### *Rule 23.2. Motions for Enlargement of Time.*

(a) *General.* Counsel must move for enlargement of time to file if they desire to request time beyond the initial filing requirements for briefs, answers, and replies. *Cf.* Rule 18.1. The time prescribed is not tolled simply by the filing of a motion for enlargement or for any other relief; the time for filing continues to run until the motion is granted. The Court may, upon motion and for good cause shown, enlarge the time prescribed by Rules 18(d), 19(b), 20(b), 21(c), and 31(b). All motions for enlargement of time will specify in the caption whether the enlargement sought is the first, second, third, etc., enlargement and where appropriate, the word "Consent"; and will specify in the first paragraph of text the current due date; the number of days requested; and the requested due date.

(b) *Chambers Conference.* Motions for a third enlargement of time for records of trial less than 1,000 transcribed pages and less than 2,500 total pages will be addressed in a chambers conference unless excepted by the senior judge. All motions for a fourth or subsequent enlargement of time will be addressed in a chambers conference unless excepted by the senior judge.

(c) *Form and Content.*

(1) Consent motions for first enlargement that do not exceed 10 days do not require a showing of good cause and may be filed up to the due date of the pleading.

## *NMCCA Rules of Appellate Procedure (2019)*

(2) Consent motions for a first enlargement of up to 30 days involving records of trial in excess of 500 pages of transcription do not require a showing of good cause and may be filed up to the due date of the pleading or answer.

(3) All other motions for enlargement of time will be granted only when good cause therefore is shown with particularity, and may be granted only for periods not to exceed 30 days. The motion for enlargement must articulate specific reasons why the enlargement of time should be granted by the Court. *See* Appendix C. Except for enlargements of time to file a reply brief or a response to a motion, all such motions must be filed at least 5 days before the filing is due to permit the opposing party to register opposition and the Court to give timely consideration. If this 5-day period would commence on a day other than a day when the Court's offices are open for business (e.g., Saturday, Sunday, or holiday), the period will commence on the preceding day when the Court was open for business. The following information is required in every motion for enlargement where a showing of good cause is required:

- (A) When the record of trial was docketed;
- (B) The Moreno III date (18 months since docketing);
- (C) Whether the appellant is confined and, if so, the appellant's normal release date;
- (D) The number of pages in the record of trial;
- (E) The status of review of the record of trial;
- (F) A statement as to the good cause for granted the enlargement, including a discussion of complexity of the case.

(4) Any motion for enlargement of time to file an appellant's pleading that requests a filing date more than ninety days from the date of docketing with the Court, in addition to a showing of good cause, will require an affirmation that the appellant has been consulted and concurs with the enlargement request. Where the appellant opposes such enlargement request or cannot be contacted for consultation, the requested enlargement for a filing date beyond 90 days from docketing will only be granted upon a showing of extraordinary circumstances. Additionally, in any motion for enlargement requesting a filing date beyond 90 days from docketing, if counsel cites caseload as a reason for the delay, a detailed explanation of the number and complexity of counsel's pending cases, weekly working hours, and the number and prioritization of other duties, specifically time spent assisting other counsel with their cases, preparing for oral argument, and executing collateral duties is required.

### *Rule 23.3. Motion for Oral Argument.*

(a) *General.* Oral arguments may be heard in the discretion of the Court upon motion by either party. Counsel for either party may move for oral argument no later than 7 days after the filing of an answer to the appellant's brief. Such motion shall propose a date and time for the oral argument and identify the issue(s) upon which counsel seek argument. The other

## *NMCCA Rules of Appellate Procedure (2019)*

party to the action may file a response stating whether it opposes or supports the motion and whether it has any conflict with the proposed date and time. Any judge of a panel desiring oral argument before that panel may grant a motion for oral argument.

(b) *Court Ordered Argument.* Any judge assigned to a panel may direct oral argument in any case pending before that panel or pending *en banc*, identifying the issue(s) upon which he or she wishes to hear argument.

### *Rule 23.4. Motion to Attach Documents.*

(a) A motion to attach documents to the record of trial shall include a title and summary of the proposed items to be attached and a statement as to the relevance to the case.

(b) Affidavits must be dated and notarized by notary public or an officer in the Armed Forces, or submitted as an unsworn declaration under penalty of perjury pursuant to 28 U.S.C § 1746. No other statements, including those of an appellant, will be accepted by the Court.

### *Rule 23.5. Motion for Relief from Post-Trial Processing Error.*

Any party may move for relief from a post-trial processing error by apprising the Court of an obvious error in the post-trial processing phase and requesting immediate remand to correct it.

### *Rule 23.6. Motion Pursuant to R.C.M. 706.*

(a) A motion to conduct a mental health evaluation under R.C.M. 706 may be made to the Court if, in the opinion of either party, good cause has been shown to order the convening of a medical board to inquire into the appellant's mental responsibility at the time of the offense, mental capacity to stand trial, or to participate in the review of the case at the appellate level.

(b) Requests by appellate counsel for a mental health evaluation of an appellant in a case pending before the Court are made directly to the Court. The motion must be supported by a concise statement of facts supported by the record or upon affidavits appended to the record by a motion to attach, pertinent to the question of sanity and must contain a justification of the need for a current evaluation. The motion will include a motion to stay proceedings for the period of time required to accomplish the evaluation.

### *Rule 23.7. Motion to Stay Proceedings.*

A motion to stay proceedings shall be made in conjunction with any filing which requires a stay. Such filings may include, but are not limited to, petitions for extraordinary relief and motions pursuant to R.C.M. 706.

### *Rule 23.8. Motion to Cite Supplemental Authorities.*

In the event that relevant new law has been issued or discovered by counsel subsequent to the submission of their brief, answer, or reply, counsel shall supplement their filings by bringing the citation of a relevant authority to the attention of the Court in a motion to cite

## *NMCCA Rules of Appellate Procedure (2019)*

supplemental authorities. Such motions will briefly explain the relevance of each newly cited authority to the issues before the Court.

### *Rule 23.9. Motion to Compel.*

Whenever it is clear that the original record of trial is missing an item necessary for the Court's consideration, counsel may move the Court to compel the government to produce the item. Such a motion should identify with particularity the item that is missing, and how it is relevant to the Court's review.

### *Rule 23.10. Motion for Leave to File.*

Any filing not authorized or required by these rules or the CCA rules shall be accompanied by a motion for leave to file such filing, setting forth the basis upon which the filing should be permitted.

## **IV. PROCEEDINGS OF THE COURT.**

### **Rule 24. EXTENSIONS OF TIME AND INTERLOCUTORY MATTERS.**

**Except as otherwise provided in Rule 31(d), the Court, in its discretion, may extend any time limits prescribed and may dispose of any interlocutory or other appropriate matter not specifically covered by these rules, in such manner as may appear to be required for a full, fair, and expeditious consideration of the case.**

### **Rule 25. ORAL ARGUMENTS.**

**Oral arguments may be heard in the discretion of the Court upon motion by either party or when otherwise ordered by the Court. The motion of a party for oral argument shall be made no later than 7 days after the filing of an answer to an appellant's brief. Such motion shall identify the issue(s) upon which counsel seek argument. The Court may, on its own motion, identify the issue(s) upon which it wishes argument.**

#### *Rule 25.1. Oral Argument.*

(a) *Purpose.* Oral argument should emphasize and clarify the written arguments in the briefs, but should not merely restate the written submissions. Counsel should assume that all members of the Court have read the briefs before oral argument and counsel should be prepared to respond to questions. A party should not refer to or comment on matters outside the record.

(b) *Location of Oral Argument.* Oral arguments before a panel of the Court or *en banc* will ordinarily be held in the courtroom in Building 58 at the Washington Navy Yard, Washing-

## *NMCCA Rules of Appellate Procedure (2019)*

ton, D.C. Project Outreach arguments may be heard elsewhere, including outside the Washington Metropolitan area, and when so scheduled, the Court will notify counsel of the time, date, uniform, and travel schedule.

### *Rule 25.2. Conduct of Oral Argument.*

(a) *Argument Procedure.* The Chief Judge or a senior judge presides at all formal sessions of the Court. Motions for admission and outstanding motions regarding the case set for argument are the first order of business. Argument on the case to be heard for the day will follow. To assist counsel during argument, the Crier of the Court will signal to the counsel making argument when 5 minutes remain by illuminating a yellow signal light. When time has expired, the red light will be illuminated. The red light is the signal for counsel to immediately stop argument. Counsel who believe further argument is critical to their presentation or to fully answer a question posed by one of the judges, may seek leave of the Court to continue.

#### *(b) Length and Order of Oral Argument.*

(1) Argument times are set at 30 minutes per party. Advanced leave of the Court for argument exceeding 30 minutes must be sought by written motion.

(2) The appellant, petitioner in the case of argument on extraordinary writs, or movant in the case of argument on motions, commences the argument.

(3) Counsel for the appellant, petitioner, or movant may request a portion of the allotted time for rebuttal.

(c) *Counsel.* If a party desires that more than one counsel argue on behalf of that party, permission must be obtained from the Court. Counsel for *amicus curiae* may move for permission to argue at a scheduled oral argument, which motion will be resolved in the discretion of the Court. The Court may permit counsel in the case to rebut the arguments of *amici curiae*.

(d) *Decorum.* Judge advocates appearing before the Court on behalf of litigants shall wear the Service Dress Blue (Navy) or Service “A” (Marine Corps) uniform, or the service equivalent. Civilian attorneys shall wear conservative professional attire.

### *Rule 25.3. Supplemental Citations of Authority.*

(a) *Before Oral Argument.* No later than 2 business days prior to oral argument, counsel may submit supplemental citations of authority. A supplemental citation of authority lists any legal authority not previously cited that counsel wishes to raise for the Court’s consideration in oral argument. A supplemental citation of authority may contain a brief statement as to the relevance of the cited authorities; extensive argument is not appropriate in a supplemental citation of authority. Counsel may also submit a supplemental citation of authority within 7 days following oral argument to cite any legal authority presented in oral argument that was not previously cited.

(b) *Memorandum of Argument.* Within 7 days following oral argument, counsel may submit a motion for leave to file a memorandum of argument, addressing matters arising during

## *NMCCA Rules of Appellate Procedure (2019)*

the oral argument or correcting any representation by counsel made during oral argument. Any reply to a memorandum of argument will be submitted within 7 days following the submission of the memorandum of argument.

### **Rule 26. RECORDING, PHOTOGRAPHING, BROADCASTING, OR TELECASTING OF HEARINGS.**

**The recording, photographing, broadcasting, or televising of any session of the Court or other activity relating thereto is prohibited unless specifically authorized by the Court.**

#### *Rule 26.1. Photographing, Televising, Recording, or Broadcasting of Oral Argument.*

(a) An audio recording of all oral arguments before the Court shall ordinarily be produced by Court staff or other personnel working on behalf of the Court. Recording of an oral argument in an individual case may be cancelled by order of the Court for good cause, including unavailability of equipment or personnel. This Rule is not intended to create any right to a recording by any party in a case pending review by this Court.

(b) Any other photographing, televising, recording, or broadcasting of oral argument is prohibited, unless specifically authorized by the Court.

#### *Rule 26.2. Dissemination of Recorded Hearings.*

(a) As soon as practical, the recording of oral argument hearings will be made available to the public on the Court's web site.

(b) Prior to posting any recorded hearing, the Court's Senior Law Clerk shall review the recording and redact any personally identifying information, including, but not limited to:

- (1) Any part of a child victim's name;
- (2) The full names of victims;
- (3) Social security numbers;
- (4) Financial account information;
- (5) Addresses and telephone numbers; and
- (6) Dates of birth.

(c) Audio recordings of oral arguments shall remain posted on the Court's website for three years from the date of posting.

**Rule 27. EN BANC PROCEEDINGS.**

(a) A majority of judges who are in regular active service, as defined in Rule 7 or Service Court rules, and not disqualified may, *sua sponte* or in response to a suggestion, order that an appeal or any other proceeding be considered or reconsidered by the Court *en banc*. *En banc* consideration or reconsideration is not favored and ordinarily will not be ordered unless: (1) necessary to secure or maintain uniformity of the Court's decisions; (2) the opinion overrules a binding precedent of the Court; (3) the proceeding involves a question of exceptional importance; or (4) a sentence being reviewed pursuant to Article 66, UCMJ, extends to death.

(b) A party may suggest consideration or reconsideration of a proceeding *en banc*. In cases being reviewed pursuant to Article 66, UCMJ, a suggestion for *en banc* consideration must be filed with the Court within 7 days after the United States files its answer to the assignments of error, or the appellant files a reply under Rule 18(d). In other proceedings, the suggestion must be filed with the party's initial pleading, or within 7 days after the response thereto is filed. A suggestion for *en banc* reconsideration must be made within the time prescribed by Rule 31 for filing a motion for reconsideration. No response may be filed to a suggestion for *en banc* consideration or reconsideration unless the Court so orders.

(c) A suggestion for *en banc* consideration or reconsideration shall be transmitted to each judge of the Court who is in regular active service and not disqualified, but a vote need not be taken to determine *whether* the case shall be considered or reconsidered *en banc* unless a judge requests a vote.

(d) Although only the Court *en banc* may overrule a binding precedent, a party may argue, in its brief and oral argument, to overrule a binding precedent without petitioning for hearing *en banc*. The panel will decide *whether* to ask the remaining judges to consider hearing the case *en banc*.

*Rule 27.1. Definitions.*

Within the meaning of Rule 27(a), "uniformity of the Court's decisions" refers to panels of this Court and of the other service courts of criminal appeals. A "question of exceptional importance" includes a novel question of law not previously considered by a military appellate court, and argument that existing case law should be overruled or modified.

*Rule 27.2. Suggestion for En Banc Consideration.*

For Article 66, UCMJ, cases, a motion by a party suggesting *en banc* consideration must be filed within 7 days after the government files its Answer or the appellant files a Reply Brief. In all other cases, the motion must be filed within 7 days after the initial pleading and response thereto have been filed. A response to a motion suggesting *en banc* consideration may be filed.

**Rule 28. CONTEMPT.**

**(a) *Contempt Proceedings.***

(1) Under Article 48, UCMJ, any judge detailed to the Court may punish any person for contempt.

(2) *Summary Disposition.* A judge of the Court may summarily punish contempt when the judge directly witnesses the contemptuous conduct during the course of an appellate proceeding. Prior to holding a person in contempt, the judge shall provide the alleged offender with an opportunity to make a statement. If the alleged offender declines to make a statement, no negative inference will be drawn. If a contempt is punished summarily, the judge shall ensure there is an adequate record accurately reflecting the misconduct that the judge directly witnessed.

(3) *Disposition upon Notice and Hearing.* If the judge did not personally witness the contemptuous conduct at issue, the alleged offender shall be provided written notice of the alleged contempt and given a reasonable opportunity to respond and to present evidence before the Court. The written notice shall include notice that the alleged offender has the right to be represented by counsel and that no negative inference will be drawn from failure to respond and to present evidence. The government shall provide military alleged offenders counsel at no expense to them. The contempt must be proved beyond a reasonable doubt before it may be punished.

(4) *Appeal.* A person found in contempt by the Court shall be notified of their right to appeal the contempt findings and sentence to the United States Court of Appeals for the Armed Forces in accordance with that Court's rules and Article 48, UCMJ.

(5) *Stays.* Upon written request or upon its own motion, the Court may stay the imposition of punishment pending an appeal.

**(b) *Appeals from Contempt Proceedings Below.***

(1) *Notice of Appeal.* Any person found in contempt by a military judge or military magistrate may appeal the punishment by filing a notice of appeal with the Clerk of the Court within 20 days of being found in contempt. The notice of appeal must:

(A) Be titled *In Re [Contempt-Appellant]*;

(B) Specify the person taking the appeal;

(C) List the parties to the proceeding, the name of the judicial officer who made the contempt finding, any alleged victims as defined under Article 6b, UCMJ, and the punishment awarded;

## *NMCCA Rules of Appellate Procedure (2019)*

(D) List the names and addresses of counsel for all parties to the proceeding and any alleged victims; and

(E) Indicate whether the contempt-appellant requests a stay of unexecuted punishment.

(2) *Action by United States upon Service.* Within 20 days of receiving or filing a notice of appeal, the trial counsel shall forward a record of the contempt proceedings to appellate counsel for the United States. Appellate counsel for the United States shall promptly file the original record with the Clerk of the Court and forward copies to opposing counsel.

(3) *Action by Court upon Service.* Upon receipt of any notice of appeal, the Clerk will docket the case and forward a copy of the notice to the appropriate Judge Advocate General or designee.

(4) *Resolution of Appeal.*

(A) *Briefing.* A contempt-appellant must file a brief in support of his or her appeal within 30 days of being served with a copy of the record under subsection (b)(2) of this Rule. Opposing counsel may respond within 20 days of receiving the contempt-appellant's brief. If the appellate government division is conflicted or elects not to respond, the Court may direct the Judge Advocate General to detail appellate counsel to defend the finding of contempt and punishment.

(B) *Argument.* The Court may, in its discretion, order oral argument.

(C) *Final Action.* An appeal of a finding of contempt will be reviewed for an abuse of discretion. The Court may affirm or set aside the finding or the punishment, in whole or in part, or make any other order in the case as the circumstances require.

### **Rule 29. ARTICLE 66(F) PROCEEDINGS.**

(a) *In General.* The Court may, upon motion by any party or *sua sponte*, order a remand under Article 66(f)(3), UCMJ for further proceedings. Such orders shall be directed to the chief trial judge. The Judge Advocate General or designee shall designate a general court-martial convening authority who shall provide support for the hearing. Although within the *discretion* of the Court, remand is generally not appropriate to determine facts or investigate matters which could, through a party's exercise of reasonable diligence, have been investigated or considered at trial, or to resolve post-trial claims that are:

(1) Inadequate on their face;

(2) Facially adequate but appellate filings and the record as a whole compellingly demonstrate their improbability;

(3) Uncontested; or

*NMCCA Rules of Appellate Procedure (2019)*

(4) Based on statements or documents not included in the record of trial and

(A) The statement is unsworn or not filed in compliance with rule 23(b);  
or

(B) The statement is made by a person who lacks personal knowledge of the material facts that the court is asked to rely on.

(b) *Jurisdiction.* The Court ordering remand *retains* jurisdiction unless it expressly dismisses the appellate proceeding.

(1) *Remand when Court Retains Jurisdiction.* When a Court remands but does not dismiss the appellate proceeding, such as for fact-finding or issuance of a certificate of correction, the remand does not return jurisdiction over the case to the court-martial and military judge. Rather, the Court retains jurisdiction over the case throughout the Article 66(f) proceeding. Such a remand is an appellate proceeding conducted on behalf of the Court but presided over by a military judge or magistrate. Any finding or recommendation arising out of a proceeding shall be forwarded to the Court for consideration and action.

(2) *Remand When Court Dismisses Appellate Proceeding and Returns Jurisdiction.* A remand of a case that returns jurisdiction over the case to the military judge and court-martial will specifically state the scope of the remand and the range of actions that may be taken. If an action during a remand terminates the case, an appellate attorney authorized to act on behalf of the United States shall so inform the Court. Such a remand may be appropriate, for instance, when a matter in the case requires corrective action by the trial Court such as to correct an error in the judgment or to address an inconsistency or omission in the factual basis of an accused's plea.

(c) *Remand Impracticable.* The general court-martial convening authority designated to provide support for the proceeding pursuant to R.C.M. 810(f)(1) may determine that the proceeding is impracticable. In such a case, an appellate attorney authorized to act on behalf of the United States shall forward this determination, accompanied by an explanation for the determination, to the Court. The Court may direct that the proceeding continue. If the Court does not direct that the proceeding continue, the Court may take any other action authorized by law that does not materially prejudice the substantial rights of the accused.

(d) *Article 66(f) Hearings.* The military judge detailed to an Article 66(f) proceeding may order one or more Article 66(f) hearings as may be necessary to fulfill the purpose of the remand. The following *procedural* rules shall apply at Article 66(f) hearings directed under this Rule:

(1) A record of the proceedings shall be created and certified in substantial compliance with R.C.M. 1112.

## *NMCCA Rules of Appellate Procedure (2019)*

(2) The parties may question and challenge the military judge as provided by R.C.M. 902.

(3) In the case of a remand in which the Court has returned jurisdiction over the case under subsection (a)(2) the rules applicable to the conduct of a post-trial Article 39(a) shall apply.

(4) In the case of a remand in which the Court has maintained jurisdiction over the case under subsection (a)(1) the following rules shall apply:

(A) The Judge Advocate General shall provide the accused with the same right to counsel as would be had at a post-trial Article 39(a) session.

(B) The accused's right to personally be present at a proceeding shall generally be the same as for similar proceedings held in United States District Courts. The military judge may authorize remote appearances of witnesses and parties as provided by R.C.M. 914A and 914B.

(C) The military judge may apply any other Rule for Courts-Martial which the military judge determines is appropriate to apply to a post-conviction fact-finding hearing for the just determination of the issues involved. In applying such a rule, the military judge shall construe the rule to secure simplicity in procedure, fairness in administration, and the elimination of unjustifiable expense and delay.

### **Rule 30. ORDERS AND DECISIONS OF THE COURT.**

The Court shall give notice of its orders and decisions by promptly serving them, when rendered, on appellate counsel, including civilian counsel, if any, and the Judge Advocate General, or designee, as appropriate.

#### *Rule 30.1. Orders of the Court.*

An order of the Court is a command or directive issued by the Court and may be either interlocutory or final in nature. An order of the Court may be signed by an appellate judge or it may be authenticated by signature of the Clerk of Court or designee. When an order of the Court is authenticated, the official signature block of the signee will be included in the authentication and the Court seal shall be affixed to the document.

#### *Rule 30.2. Non-Binding Decisions of the Court.*

(a) Summary Disposition ("Straight Legal"). The Court issues summary disposition decisions when it affirms cases submitted by an appellant on its merits, in which the Court has not otherwise specified any issues for briefing by the parties. Summary disposition decisions do not serve as precedent. Copies of all summary dispositions are available in the Opinion Archive of the Court's web site (<http://www.jag.navy.mil/nmcca.htm>), but are not available in the LEXIS or WESTLAW databases.

## ***NMCCA Rules of Appellate Procedure (2019)***

(b) *Per Curiam*. The Court issues *per curiam* decisions to address assignments of error asserted by an appellant that do not raise any significant issues. *Per curiam* decisions do not serve as binding precedent but the analysis therein may be cited as persuasive authority. *Per curiam* decisions are available in the Opinion Archive of the Court's web site (<http://www.jag.navy.mil/nmcca.htm>), and are available for searching in the LEXIS and WESTLAW databases.

(c) *Unpublished Opinions ("Authored")*. Unpublished opinions are full opinions with the author judge identified that address assignments of error asserted by an appellant. Unpublished opinions are full opinions and typically have more extensive analysis of the issues than *per curiam* decisions. Unpublished decisions do not serve as binding precedent but the analysis therein may be cited as persuasive authority. Unpublished decisions are available in the Opinion Archive of the Court's web site (<http://www.jag.navy.mil/nmcca.htm>), and are available for searching in the Lexis and WestLaw databases.

### ***Rule 30.3. Publication of Binding Decisions of the Court.***

(a) *Published Opinions of the Court ("Published Opinions")*. The Court causes an opinion to be reported (published) in West's MILITARY JUSTICE REPORTER at its discretion. Published Opinions of the Court are those that call attention to a rule of law or procedure that appears to be currently overlooked, misinterpreted, or which constitutes a significant contribution to military justice jurisprudence. Published Opinions of the Court serve as binding precedent providing the rationale of the Court's decision to the public, the parties, military practitioners, and judicial authorities. In addition to the official reporter, Published Opinions of the Court are also available in the Opinion Archive of the Court's web site (<http://www.jag.navy.mil/nmcca.htm>) and in the LEXIS and WESTLAW databases.

(b) The Chief Judge, subject to objection by a majority of the judges in regular active service with the Court, as defined in Rule 7(c), who are not recused or otherwise disqualified from the matter, shall decide which opinions of the Court are published.

(c) Any panel of the Court may propose to the Chief Judge that an opinion be published as an Opinion of the Court. The opinion shall be circulated among the judges in regular active service with the Court who are not recused or otherwise disqualified from the matter.

(d) *Requests for Publication*. Upon the written request of the Director, Appellate Defense or Government Division, another Court of Criminal Appeals, or any other source to the Clerk of Court for publication, the Court may authorize publication of a previously unpublished opinion. The Court may also sua sponte authorize the publication of a previously unpublished opinion.

## **Rule 31. RECONSIDERATION.**

(a) **The Court may, in its discretion and on its own motion, enter an order announcing its intent to reconsider its decision or order in *any* case not later than 30 days after service of such decision or order on the appellate defense counsel or on**

the appellant, if the appellant is not represented by counsel, provided a petition for grant of review or certificate of review has not been filed with the United States Court of Appeals for the Armed Forces, or a record of trial for review under Article 67(b) has not been received by that Court. No briefs or arguments shall be received unless the order so directs.

(b) Provided a petition for grant of review or certificate for review has not been filed with the United States Court of Appeals for the Armed Forces, and a record of trial for review under Article 67(b) or writ appeal has not been received by the United States Court of Appeals for the Armed Forces, the Court may, in its discretion, reconsider its decision or order in any case upon motion filed either by appellate counsel within 30 days after receipt by counsel, or by the appellant if the appellant is not represented by counsel, of a decision or order.

(c) A motion for reconsideration shall briefly and directly state the grounds for reconsideration, including a statement of facts showing jurisdiction in the Court. A reply to the motion for reconsideration will be received by the Court only if filed within 7 days of receipt of a copy of the motion. Oral arguments shall not be heard on a motion for reconsideration unless ordered by the Court. The original of the motion filed with the Court shall indicate the date of receipt of a copy of the same by opposing counsel.

(d) The time limitations prescribed by this Rule shall not be extended under the authority of Rule 24 or Rule 32 beyond the *expiration* of the time for filing a petition for review or writ appeal with the United States Court of Appeals for the Armed Forces, except that the time for filing briefs by either party may be extended for good cause.

### *Rule 31.1. Motion to Reconsider Interlocutory Orders.*

Upon motion by a party or on its own motion, the Court may reconsider an interlocutory order previously rendered by it, provided that jurisdiction of the case has not been obtained by CAAF. Jurisdiction vests with CAAF when a petition or certificate has been filed with that Court. A motion for reconsideration must state with particularity the interlocutory order the moving party seeks to have reconsidered and whether any other court has acquired jurisdiction over the case. For example, a party may move to reconsider an order to conduct oral argument, an order to compel production of documents, or an order to conduct an Article 66(f)(3) proceeding. Such a motion must provide a compelling showing of good cause before the Court will reconsider a Court order.

### *Rule 31.2. Motion to Reconsider Decisions or Orders Terminating Cases.*

(a) *General.* Upon its own motion and within 30 days of its decision or order, or upon motion by the government or the appellant within 30 days after delivery of the decision to the respective appellate divisions or to the place of business of civilian appellate defense

counsel, the Court may reconsider a decision or order terminating the case previously rendered by it, provided that jurisdiction of the case has not been obtained by CAAF. Jurisdiction vests with CAAF when a petition or certificate has been filed with that Court. A motion for reconsideration must state the date on which the appellate division or civilian counsel place of business received a copy of the Court's prior decision, which portions of the decision the moving party seeks to have reconsidered, the basis for reconsideration, and whether any other court has acquired jurisdiction over the case. In addition to serving the opposing party, the moving party must also serve a copy of the motion on the Deputy Assistant Judge Advocate General (Military Justice) (Code 02).

(b) *Motion to Reconsider Suggesting En Banc Consideration.* *En banc* reconsideration of a panel or *en banc* decision or order terminating a case may be granted following a motion by a party or at the request of a judge on the Court. See Appendix D. The Clerk of Court will notify appellate counsel concerning briefs or oral argument.

### **Rule 32. SUSPENSION OF RULES.**

**For good cause shown, the Court acting *en banc* or in panel may suspend the requirements or provisions of any of these rules in a particular case on a motion of any party or *sua sponte* and may order proceedings in accordance with its direction.**

#### *Rule 32.1. Application and Scope.*

In the Chief Judge's discretion, the application of the JRAP or NMRAP may be waived. During the review of a specific case pursuant to the Court's statutory responsibilities, a panel may, in its discretion, waive the application of a particular rule. The Court will notify the parties in the event of a waiver.

### **Appendix I. Oral Argument Script**

[Pursuant to NMRAP 25.2, the senior judge of the panel, or Chief Judge of the Court *en banc* will proceed substantially as set forth below.]

[The Clerk will gavel the session to order with two solid strikes of the gavel and announce as follows:]

**Clerk:** *“All rise. The United States Navy-Marine Corps Court of Criminal Appeals is now open and in session. God save the United States and this Honorable Court.”*

[At the second strike of the gavel, and as the Clerk makes the above announcement, the judges of the Court enter the courtroom and take their positions behind their chairs. At the conclusion of the opening announcement, the Clerk will strike the gavel a third time.]

**Senior/Chief Judge:** *“Good morning (or good afternoon). Please be seated.”*

[All judges, the counsel, and those in the gallery are seated.]

**Senior/Chief Judge:** *“The Court will now hear oral argument in the case of United States v. (insert name). Are counsel for both sides ready to proceed?”*

[Counsel may respond in the affirmative; or respond with inviting the Court’s attention to any unresolved matters, such as the swearing in of a new member of the Bar; an oral motion for relief; or other appropriate matter, such as the following:]

**Counsel for Appellant:** *“Yes, your honor, but before proceeding, the appellant would request to reserve 5 minutes for rebuttal.”*

**Senior/Chief Judge:** *“Very well. The appellant may argue.”*

[The above may be varied to *“The United States may argue”* in those cases in which the government is arguing an interlocutory appeal.]

[Counsel presents argument and answers questions of the Court.]

[For both counsel, a yellow caution light will indicate when there are 5 minutes remaining of each counsel’s time (or 1 minute of rebuttal time); a red light will indicate when time has expired. Counsel should cease argument when the red light turns on. If counsel has not completed argument, counsel should request additional time to conclude. Ordinarily this means completing an answer to a question of Court.]

**Counsel for the Appellant:** *“If there are no further questions, that concludes my argument.”*

**Senior/Chief Judge:** *“Thank you. Counsel for the United States may argue.”*

## ***NMCCA Rules of Appellate Procedure (2019)***

[The above may be varied to “*The Appellant may argue*” in those cases in which the government is arguing an interlocutory appeal.]

[Counsel presents argument and answers questions of the Court.]

**Counsel for the Appellee:** “*If there are no further questions, that concludes my argument.*”

**Senior/Chief Judge:** “*Thank you. Counsel for the Appellant (or “Appellee” during interlocutory appeals) may argue in rebuttal.*”

[Counsel presents arguments and answers questions of the Court.]

**Counsel for the Appellant:** “*If there are no further questions, that concludes my argument.*”

**Senior/Chief Judge:** “*Thank you. The matter is submitted.*”

**Clerk:** “*All rise.*”

[The Clerk strikes the gavel once and the judges rise and depart. When all the judges have departed, the Clerk announces:]

**Clerk:** “*The United States Navy-Marine Corps Court of Criminal Appeals now stands adjourned.*”

[The Clerk concludes with one final strike of the gavel.]
