**OPINION OF THE COURT**  
-----

After careful consideration of the record, and the pleadings of the parties, we affirm the findings and sentence as approved by the convening authority. Art. 66(c), Uniform Code of Military Justice, 10 U.S.C. § 866(c). To the extent that the convening authority's action purports to order the punitive discharge executed upon completion of appellate review, as asserted by the appellant in his sole assignment of error, it is a nullity and does not require corrective action. *See United*
