OPINION OF THE COURT

After careful consideration of the record, submitted without assignment of error, we affirm the findings and sentence as approved by the convening authority. Art. 66(c), Uniform Code of Military Justice, 10 U.S.C. § 866(c). We note the court-martial order contains two scrivener's errors in relation to the specification of Charge II. We find that the errors are harmless, but the appellant is entitled to a corrected court-martial order. *United States v. Crumpley*, 49 M.J. 538, 539 (N.M.Ct.Crim.App. 1998). The supplemental court-martial order shall include the specification of Charge II, ensuring that the numeral "1" does not appear after the word "Specification," and that the language "a value of approximately \$10,000.00, the

property of the U.S. Navy" is included at the end of the specification.
