Decided 30 May 2017

Before MARKS, JONES, and MILLER, *Appellate Military Judges*

After careful consideration of the record, submitted without assignment of error, we affirm the findings and sentence as approved by the convening authority. Art. 66(c), Uniform Code of Military Justice, 10 U.S.C. § 866(c).

The supplemental court-martial order shall reflect that following arraignment the government withdrew certain language from Specification 1 of Charge 1 and that the specification the appellant was found guilty of reads, "In that Information Systems Technician Third Class Christopher M.
