1. Purpose. This directive promulgates business rules applicable to the assignment of Victims’ Legal Counsel Program (VLCP) personnel to Region Legal Service Offices (RLSOs) for administrative purposes.

3. Background. Pursuant to references (a) and (b), the Navy established a Victims’ Legal Counsel Program to provide advice, assistance, and advocacy to eligible sexual assault victims. In order to execute this program, VLCP officer and enlisted personnel will be administratively assigned to the RLSO regionally associated with their duty assignment. This assignment is solely for the administrative maintenance and support of VLC personnel; VLCP personnel shall not participate in any capacity in RLSO mission execution, to include the provision of trial services, command services, or legal assistance. VLCP personnel report to Commander, Naval Legal Service Command (CNLSC) via the Chief of Staff, Navy Victims’ Legal Counsel Program (COS VLCP). COS VLCP is ultimately responsible for the formal evaluation, training, and mentoring of VLCP personnel. Accordingly, RLSO Commanding Officers’ (COS) authority and responsibility over VLCP personnel is strictly limited to the administrative matters described below.
4. Responsibilities

a. RLSOs. RLSOs will provide the following administrative support to VLCP personnel assigned to their UICs:

(1) Leave Approval. COS VLCP, or designee, is the leave approval authority for all VLCP personnel. RLSOs shall establish an active Navy Standard Integrated Personnel System (NSIPS) account for assigned VLCP personnel to administratively process their leave requests. VLCP personnel will contact COS VLCP, or designee, for leave approval prior to submitting a leave request via NSIPS and will annotate that approval in the remarks section of the request. Upon COS VLCP approval, RLSOs will administratively approve the leave request in NSIPS.

(2) Urinalysis and Alcohol Detection Device (ADD) Participation. RLSOs shall include VLCP personnel in routine urinalysis and ADD sampling. VLCP personnel will respond to any selection for sampling in a timely manner. If VLCP personnel fail to appear for urinalysis or ADD sampling, Deputy Chief of Staff (DCOS) VLCP will confirm their location and availability status (e.g., leave or TAD) when requested by the RLSO. RLSO COs will provide any positive sampling report to COS VLCP immediately for appropriate action.

(3) Drug and Alcohol Program Advisors (DAPA). Designated RLSO DAPAs will be the primary point of contact for VLCP personnel for DAPA-related matters as described in reference (c). Any self-referral or known substantiated incidents of alcohol or drug abuse shall be referred to COS VLCP.

(4) Physical Fitness Assessment (PFA). RLSOs shall include VLCP personnel in RLSO PFA testing, to include both the body composition assessment (BCA) and the physical readiness test (PRT). RLSOs will also include VLCP personnel in the command Fitness Enhancement Program, as applicable. RLSO COs will provide notice of any VLCP BCA or PFA failure to COS VLCP immediately for appropriate action. COS VLCP will issue any required warnings or direction related to such a failure in accordance with reference (d). VLCP personnel may participate in other RLSO command fitness activities, assuming no negative impact to VLCP duties.

(5) Enlisted Career Development. RLSO Senior Enlisted Leaders shall provide career counseling and guidance, to include preparation for advancement exams, to enlisted VLCP personnel.
(6) General Military Training (GMT). RLSOs shall include VLCP personnel in command GMT events. RLSOs shall inform VLCP personnel of all Department of Defense, Department of the Navy, or JAG Corps training requirements, and shall track compliance and report status to COS VLCP.

(7) Misconduct of VLCP Personnel. RLSO COs shall immediately inform COS VLCP of any misconduct involving VLCP personnel, as well as any incident triggering the reporting requirements of reference (e).

(8) Individual Medical Readiness. In accordance with reference (f), RLSOs shall track individual medical readiness of VLCP personnel assigned to their commands. Upon receipt of notice that VLCP personnel assigned to the RLSO are not medically ready, RLSO COs will forward that information to COS VLCP for appropriate action.

(9) Fitness Reports and Performance Evaluations. In accordance with reference (g), CNLSC, as Immediate Superior in Command to all RLSO COs, assumes Reporting Senior responsibility and authority for all officers and enlisted personnel assigned to the VLCP. As a result, RLSO COs have no authority or responsibility to submit officer fitness reports, chief petty officer evaluations, or enlisted performance evaluations on VLCP personnel.

(10) Command Managed Equal Opportunity (CMEO) Program. RLSOs shall include VLCP personnel within the command CMEO Program for purposes of completing training requirements and processing CMEO complaints. RLSO CMEOs shall coordinate specific VLCP CMEO issues with the NLSC or regional Equal Opportunity Advisor (EOA), as necessary. RLSOs shall not include VLCP personnel in Defense Equal Opportunity Management Institute (DEOMI) Organizational Climate Surveys (DEOCS).

b. VLCP. COS VLCP will direct, manage, and supervise the duties of VLCP personnel, as outlined below. Program responsibilities not specifically listed under paragraph 4.a above shall be the responsibility of COS VLCP.

(1) Leave Approval. COS VLCP, or designee, shall be the leave approval authority for all VLCP personnel.

(2) Urinalysis and ADD Participation. VLCP personnel shall participate in RLSO urinalysis and ADD programs. VLCP personnel will respond to any selection for sampling in a timely
manner. If selected VLCP personnel fail to appear for urinalysis or ADD sampling, DCOS VLCP will confirm their location and availability status (e.g., leave or TAD). COS VLCP shall take appropriate action on any positive urinalysis result.

(3) Drug and Alcohol Prevention. COS VLCP is responsible for executing the concept and policy outlined in reference (c) as it pertains to VLCP personnel. After being informed of a reportable incident or referral pursuant to reference (c), COS VLCP will be responsible for those matters assigned to COs.

(4) Physical Fitness Assessment. VLCP personnel will contact the RLSO PFA Coordinator for participation in RLSO PFA testing, to include both the BCA and PRT. COS VLCP will issue any required warnings or direction related to a PFA failure by VLCP personnel in accordance with reference (d). VLCP may participate in other RLSO command fitness activities, assuming no negative impact to VLCP duties.

(5) Supervision, Mentoring, and Evaluation. COS VLCP shall direct, manage, and supervise the duties of VLCP personnel. VLCP personnel will seek policy, mission, and professional guidance from VLCP leadership. COS VLCP will provide all professional counseling and mentoring of VLCP personnel. In accordance with reference (g), the Reporting Senior responsibility and authority assumed in paragraph 4.a.(9) above is hereby delegated to COS VLCP. COS VLCP is responsible for submitting officer fitness reports, chief petty officer evaluations, and enlisted performance evaluations on VLCP personnel. Further delegation of Reporting Senior authority by COS VLCP is not authorized.

(6) GMT. To the extent possible, VLCP personnel shall complete mandatory GMT, and other DoD, DON, or JAG Corps training requirements, with their assigned RLSO. COS VLCP, or designee, will report VLCP completion of GMT or other required training, as necessary.

(7) Personnel Awards. COS VLCP shall submit award nominations for VLCP personnel to CNLSC for approval in accordance with reference (h).
