

**U.S. NAVY**  
**Guide to**  
**Naturalization Applications**  
**Based upon**  
**Qualifying Military Service**  
(8 U.S.C. 1439 and 1440)

1. Introduction. The Department of Defense and the Immigration and Naturalization Service (INS) examined ways to streamline the processing of certain naturalization (citizenship) applications for military servicemembers. Several changes have been implemented which should substantially reduce the time for processing applications. Consequently, much of the application processing will now be done at the servicemember's command, and all naturalization applications based upon qualifying military service will be sent to a unified processing center, regardless of the applicant's residence. The INS has dedicated a point of contact to discuss issues regarding specific applications with a single representative from each of the Armed Forces. The Legal Assistance Division, Office of the Judge Advocate General, (OJAG-Code 36), is the Navy representative for immigration matters.

a. This Guide outlines the new procedures for processing naturalization applications for active duty Navy service members who submit an application for naturalization based upon qualifying military service, and is intended to supplement the Immigration and Naturalization Service's *A Guide to Naturalization (Form M-476)*. Information and certain forms regarding the naturalization process may be obtained from the INS website at [www.ins.usdoj.gov](http://www.ins.usdoj.gov). Applications for naturalization that are not based upon qualifying military service, are not substantially affected by these changes.

b. The service member applicant's command is the primary source of assistance for service members who intend to submit citizenship applications. With the aid of the command representative, PSD/personnel offices, Command/Staff Judge Advocates, and/or Naval Legal Service Offices, the applicant will complete the application for naturalization and the command will forward it to the INS.

2. Overview. There are a number of categories of persons who are eligible to apply for United States citizenship. The changes implemented by the INS only apply to the following two categories of applicants:

a. Those who have been in the United States Armed Forces and have served for at least 3 years; (8 U.S.C. §1439) and

b. Those who have been in the United States Armed Forces and have served during periods of military hostilities. (8 U.S.C. §1440)

c. The first category permits naturalization for persons who have served honorably in the Armed Forces of the United States for 3 years. Such applicants may be naturalized without having to fulfill the continuous residency requirements that apply to other application categories, provided that such applications are filed while the applicant is still in the military service or within six months after termination of such service. The applicant must also be a lawful permanent resident of the United States at the time of the examination, be of good moral character, and attached to the principles of the Constitution of the United States. (See 8 U.S.C. § 1439(a) *et seq.*)

d. The second category authorizes naturalization of persons who have honorably served in an active duty status in the Armed Forces of the United States during periods of military hostilities (including any period as may be designated by the President in an Executive Order pursuant to 8 Code of Federal Regulations, 329(a) (1994)). In such cases, the applicant must satisfy the permanent residence requirement by either: (1) lawful admission to the United States after enlistment or induction into the Armed Forces of the United States; or (2) at the time of enlistment or reenlistment, the applicant was physically present in the geographical territory of the United States, or other areas as set forth in the statute. (See 8 U.S.C. § 1440(a) *et seq.*)

e. In both instances, the applicant must submit a completed Form N-400, two photographs, an application fee, a completed Form N-426 ("Request for Certification of Military or Naval Service"), and a completed Form G-325B ("Biographic Information). Once the application and allied documents are mailed and processed, the applicant must have fingerprints taken by INS, submit to an INS interview, and pass an English and civics test. Afterwards, if the application for naturalization is granted, the applicant will be scheduled to take the Oath of Allegiance to the United States.

3. Obtaining the Forms. The applicant should obtain "A Guide to Naturalization" (Form M-476) which provides information helpful to the applicant in understanding the process. The primary application is Form N-400 ("Application for Naturalization"). The applicant will also need the Form N-426 ("Request for Certification of Military or Naval Service"), and the Form G-325B ("Biographic Information"). These forms are

available by calling the INS Forms Line (1-800-870-3676) and requesting the "Military Packet". Several forms are available at the INS website at [www.ins.usdoj.gov](http://www.ins.usdoj.gov). Forms should also be available at OJAG (Code 36), Naval Legal Service Offices and Family Service Centers.

4. Completing the Forms. It is vital that all forms be thoroughly completed before submission. Incomplete forms are returned by the INS, causing substantial delays in the application process.

a. Form N-400 ("Application for Naturalization.") Check box "d" in Part 2 of the Form N-400, indicating that the application is on the basis of qualifying military service. The answers provided on this application will be reviewed at the applicant's interview.

b. Form N-426 ("Request for Certification of Military or Naval Service.") Service members will submit the partially completed Form N-426 to their local PSD/personnel office for completion. Once submitted, the PSD/personnel office will complete and certify the form. When completed, the command will be notified, and the command representative will pick up the form.

c. Form G-325B ("Biographic Information.") Service members will mail Form G-325B to:

Office of the Judge Advocate General (Code 36)  
Washington Navy Yard  
1322 Patterson Avenue SE Suite 3000  
Washington, DC 20374-5066

The resulting DCII report will be attached to the Form G-325B, and mailed directly to Lincoln, NE by that office.

5. Obtain Two Photographs. Every applicant is required to furnish two identical color photographs of him/herself. The photos must have a glossy finish and shall be at least 40mm (1 9/16 inches) in height by 35mm (1 3/8 inches) in width. INS Form M-378 provides more detail. The photos must also be:

- a. Unmounted and printed on thin paper, on white background with a ¾ profile view of the right side of the applicant's face;
  - b. Taken within 30 days of the date they are sent to INS;
- and

c. Inscribed in pencil with the applicant's name and alien registration number on the back of each photograph.

6. Collect Necessary Documents. The applicant will need to include copies of several documents with the application. Use the checklist on page 34 of "A Guide to Naturalization" (Form M-476), to ensure the correct documents are included. Send an English translation with any document that is not already in English. The translation must include a statement from the translator that he or she is competent to translate and that the translation is correct.

7. Fingerprinting. The command representative will schedule the applicant to have fingerprints completed at an Application Service Center (ASC). To do this, the command representative will refer to enclosure (1) for the complete list of ASCs and their hours of operation. The command is not required to call the ASC to schedule the appointment. Simply review the hours of operation listed on the spreadsheet and schedule the member accordingly. The command will then complete the fingerprint notification form. Once completed with the member's correct address, ASC location, and date/time of the appointment, the form will be given to the applicant. Note that a copy of the form must be included in the application package to indicate that the applicant was scheduled for fingerprinting. The applicant will take the Referral Letter, Permanent Resident Card, and another form of identification (drivers license, military ID, passport, or state identification card) to the fingerprinting appointment. The second form of identification should have the applicant's photograph on it.

a. Overseas Commands. If the applicant is stationed overseas, the military police may take the applicant's fingerprints. Send a completed INS Form FD-258 (fingerprint card) with the initial application package to the INS Lincoln Service Center at the address provided below.

8. Mailing the Application Package. The command representative shall review the entire package with the applicant prior to mailing using the checklist at enclosure (2). Once the package is complete, an entire copy should be retained by the applicant. The application package should be accompanied by a cover letter, indicating the INS service center at which the applicant would like to be interviewed, and any periods of unavailability for said interview. The letter should also advise INS of the applicant's address and phone number. A sample letter is included at enclosure (3).

a. Regardless of the residence of the applicant, the original application package should be mailed by certified mail, return receipt requested, to:

**Immigration and Naturalization Service  
Nebraska Service Office  
P.O. Box 87426  
Lincoln, NE 68501-7426**

b. If there are problems with any of the documents, the INS will contact OJAG (Code 36), to resolve any issues. Once the application is accepted and processed, INS will send the applicant a letter scheduling the interview. If citizenship is granted at the interview, the INS will send another letter to the applicant to arrange an oath ceremony (if they didn't complete it in conjunction with the interview).

9. The Interview. INS will schedule the applicant for an interview. They will send the applicant an interview notice that will tell the date, time, and place of the interview. Applicants will not receive a second notice. If the interview must be rescheduled, applicants should directly contact the office where their interview is scheduled by mail as soon as possible. They should explain their situation and ask to have their interview rescheduled. When a new date has been set, INS will send the applicant a new interview notice. Please note that rescheduling an interview may add several months to the naturalization process.

a. **To make sure applicants receive the interview notice, they must notify INS whenever their address changes. Mail INS Form AR-11, "Alien's Change of Address Card" to the Nebraska Service Office for this purpose.**

b. Applicants should appear at the office where they are to be interviewed in advance of their scheduled interview time. If applicants fail to appear at their interview without contacting INS, their cases will be "administratively closed." If this happens and the applicant does not contact INS within 1 year to reopen the case, the application will be denied.

c. Provide additional documents. In some cases, INS may ask the applicant to bring additional documents to the interview. These documents will be listed on the applicant's appointment letter. If the applicant fails to bring the necessary documents, the case may be delayed or denied.

d. Take the English and civics test. During the interview, the applicant's ability to read, write, and speak English will be tested. The applicant will also be given a civics test to test knowledge and understanding of United States History and Government.

e. At the interview, an INS officer will place the applicant under oath and then ask questions about the applicant's background and character.

10. Receive a Decision. After the interview, the application for citizenship will be granted, denied, or continued.

a. Granted. At the end of the interview, the INS may advise the applicant that citizenship will be granted. In some cases, the applicant may be able to complete the oath ceremony the same day as his interview (where available). Otherwise, the applicant will receive a notice of when and where the oath ceremony will be.

b. Continued. The INS officer may also "continue" the case. This means the case is put on hold. If an applicant's case is continued, it will add time to the naturalization. The most common reasons for continuation are: (1) failing the English and civics tests; and (2) failing to provide INS with required documents. When a case is continued, the applicant will be asked to: (1) come to a second interview, usually within 60-90 days of the first interview; or (2) provide additional documents.

c. Denied. If INS denies the application, the applicant will receive a written notice setting forth the reasons. There is an administrative review process for applicants who receive denials. The applicant may request a hearing with an INS officer if he feels he has been unfairly denied naturalization. The denial letter will explain how to request a hearing and will include the form needed.

11. Taking the Oath. If INS approves the application for naturalization, the applicant must attend a ceremony and take the Oath of Allegiance to the United States. The following are the steps in this process:

a. INS will notify the applicant by mail of the time and date of the ceremony. The notice is called the "Notice of Naturalization Oath Ceremony" (Form N-445). In some cases, the

INS may give the applicant the option to take the Oath on the same day as the interview. If the applicant decides to take a "same day" oath, INS will ask the applicant to come back to the office later that day. At this time, the applicant will take the Oath and receive his "Certificate of Naturalization."

b. The applicant must check in with INS upon arrival at the site of the ceremony. If the applicant cannot attend the ceremony on the day scheduled, the INS notice (Form N-445) must be returned to the local INS office. The applicant should include a letter explaining why he/she cannot attend the ceremony and ask INS to reschedule.

c. Applicants are required to return their Permanent Resident Cards to INS when they check in for their oath ceremony. Applicants will receive their Certificate of Naturalization at the ceremony.

d. If more than a day has passed between the applicant's interview and the ceremony, several questions will need to be answered. These questions are located on the back of the notice INS sends the applicant.

e. Take the Oath. The applicant is not a citizen until the Oath of Allegiance is taken. The oath is taken during the ceremony. An official will read each part of the Oath slowly and ask the applicant to repeat the words. The Oath can be found in the section titled "Eligibility Requirements" in the Form M-476 "A Guide to Naturalization."

f. Once the applicant has taken the Oath, he/she will receive a Certificate of Naturalization. The applicant may use this document as proof of United States citizenship.

g. It is strongly recommended that applicants obtain a United States passport soon after their naturalization ceremony. A passport serves as evidence of citizenship and is easier to use than a Certificate of Naturalization. In addition, if the Certificate of Naturalization is lost, it can take up to one year to receive a new certificate. If the applicant does not have a passport, there will be no evidence of citizenship during the time he/she is waiting for a new certificate. Applicants can get an application for a passport at their oath ceremony or at most post offices.
