

JAG Strategic Plan 2025

Our Current Initiatives

Capabilities Alignment

- **Disability Evaluation System (DES) Resourcing** - Finalizing and implementing a DES resourcing plan that captures the appropriate active/reserve/civilian manning balance and supporting relationships for logistical support to ensure the Navy and Marine Corps can continue to deliver critical services. (Line of Operation: [Legal Assistance](#))
- **Centralized Legal Assistance / Document Preparation** - Assessing the feasibility of centralized document production for the preparation of basic legal forms for clients (e.g., wills, powers of attorney). (Line of Operation: [Legal Assistance](#))
- **Freedom of Information Act (FOIA) Efficiencies** - Ensuring timely and effective public access to court-martial records consistent with applicable law by streamlining the FOIA process for court-martial Records of Trial through transitioning records to the National Archives and Records Administration. (Line of Operation: [Military Justice](#))
- **Operational Fiscal Law Capability** - Improving our operational fiscal law capability by identifying our fiscal law knowledge requirements and ensuring timely access to that knowledge. (Line of Operation: [OpLaw & Command Advice](#))
- **Cyber Law Capability** - Assessing the Navy's cyber law requirements, developing a framework to meet the requirements, and establishing a process for identifying, training, and detailing personnel to fill the requirements. (Line of Operation: [OpLaw & Command Advice](#))
- **Military Justice Training Standards** - Promulgating the new military justice capability requirements and establishing corresponding training standards. (Line of Operation: [Military Justice](#))
- **LN Paralegal Refresher Training** - Updating the LN 52-week training materials to include enhanced legal research and writing training and finalizing a new online Paralegal Litigation Support Course for deployment in summer 2015. (Line of Operation: [All](#))

Knowledge Management

- **Knowledge Management (KM) Vision** - Developing a KM vision and operationalizing it through published policies. (Line of Operation: [All](#))
- **JAG Community Intranet and Knowledge Portal** - Initiating development of a JAG Community Intranet and Knowledge Portal as the primary platform for content sharing and technology-leveraged solutions. (Line of Operation: [All](#))
- **Institutionalize Process Improvement** - Creating a framework for innovative process improvement and automation to enhance our ability to capture and manage information and improve operational efficiency and performance. (Line of Operation: [All](#))
- **Remote Legal Assistance** - Modernizing the legal assistance practice by creating a website that helps clients obtain relevant information on common legal issues. (Line of Operation: [Legal Assistance](#))
- **Legal Assistance Website** - Assessing the feasibility of adopting an online service for providing clients with basic legal documents. (Line of Operation: [Legal Assistance](#))
- **Military Justice Transparency** - Studying ways to improve the public's access to real-time information about military justice matters. (Line of Operation: [Military Justice](#))

Community Health

- **Civilian Hiring Standard Operating Procedures (SOP)** - Publishing SOP for hiring personnel into NLSC and OJAG. (Line of Operation: [All](#))
- **JA & LN Leader Development Continuum** - Consolidating recommendations of the JA and LN Leader Development Continuum Working Groups and assessing feasibility of implementation. (Line of Operation: [All](#))
