

OBTAINING A NAVY JAG CORPS INTERVIEW

All applicants must complete an interview with two Navy JAG Corps officers (also known as a “Structured Interview”) before their application will be considered. Informational interviews and interviews with other branches of service do not satisfy this requirement. Once completed, the interview does not expire. Applicants may not complete more than one interview within a three-year period, but are encouraged to complete a new interview after the three-year period.

Your interview must occur no later than the application deadline. Accordingly, you should request an interview several weeks in advance of the application deadline to allow time to schedule and complete your interview. You may schedule your interview before you have submitted your application. Please pay close attention to any specific deadlines on the career website.

Law students applying to the **Student Program** should contact the regional office assigned as point of contact for their law school, listed below.

Licensed attorneys applying to the **Direct Appointment** program should contact the nearest regional office to schedule an interview.

To schedule an interview, send an e-mail to the appropriate regional office, as indicated below. If you have not received a response within five business days, or if you have questions about the application process, please contact us at navyaccessions@navy.mil.

NOTE: Most interviews take place at our regional and branch offices. Interviews for applicants not located near one of these offices may involve travel at personal expense. When time and resources permit, our regional offices may arrange interviews at other locations within their region, to include law schools or career fairs. Contact the appropriate regional office early in the application process to check location and availability for structured interviews.
