JAG COMMUNITY STRATEGIC FRAMEWORK

WHO WE ARE

We are an agile, innovative, and interconnected team of more than 2,300 legal professionals and support personnel dedicated to the needs of our Navy and our Nation. We are committed to constantly improving and relentlessly pursuing excellence as we execute our Community Lines of Effort in order to achieve our vision.

OUR PRINCIPLES

We are **dedicated to service, committed to excellence**. Every decision and every action will be deliberate and consistent with Navy Core Values and four Core Attributes:

Integrity: We conduct ourselves with utmost professionalism, ensuring we meet the highest ethical standard.

Accountability: We "own" issues and respond with effective legal solutions.

Initiative: We give our maximum effort to achieve peak individual and team performance. We continually strive to enhance our knowledge base and share it with one another.

Toughness: We promote and protect the health, morale, and well-being of each member of our community as we provide services that contribute to the resiliency of Sailors and families.

WHY WE EXIST

We exist to support warfighters – whether it is enabling operations, ensuring readiness, or supporting good order and discipline. By assisting commanders, Sailors, and families, we keep the focus where it must be – on the mission. We provide outstanding legal services, support, and solutions in three core practice areas:

Military Justice

Command Advice & National Security Law

Legal Assistance
